FELLOWSHIP OF  
PROFESSIONAL CELEBRANTS

Nuala is an independent trained Celebrant and Member of the Fellowship of Professional Celebrants

Every ceremony I create is to honour and celebrate the life of the person who has died. Each of us is unique, so it is with that in mind that I approach each service to provide a fitting tribute based on the life and experiences of the person concerned. Together, we achieve a service that it is right for both the individual and the family.

An end of life ceremony can be designed to consider an individual's beliefs or values, and can be a non-religious, semi-religious, mixed faith, spiritual or holistic ceremony.

I always aim to help you experience a sensitive and memorable occasion at such a sad and difficult time. But whilst emotional and challenging for you, I aspire to create a positive and inspiring experience for all.

It would be my privilege to support you at this sad and difficult time, to provide a unique and memorable ceremony, befitting those we pay tribute to, and to help you say those last goodbyes.

Nuala is also able to offer Wedding Services & Baby Naming Ceremonies
